

Health and safety policy

We are committed to work safety and health activities to protect workplace safety and employee health, and to achieve a completely accident-free work environment.

- 1) We shall comply with laws and regulations related to health and safety and the Mitsubishi Materials Group Code of Conduct*¹, and place the highest priority on safety and health.
- 2) Communicate with employees and promote risk assessment to create a safe workplace.
- 3) We promote health management and ensure the physical and mental health of our employees.

*Includes striving to improve compliance with our Customer Code of Conduct and the RBA Code of Conduct.
